

EYE CARE INTERNATIONAL

INTERESTED IN VOLUNTEERING?

We are seeking eye care professionals, including: **opticians, optometrists and ophthalmologists** for our annual mission to El Salvador.

For over 20 years Eye Care International has provided quality eye care to the underserved in rural communities in El Salvador.

Typically over a nine day span we see thousands of needy patients. Our 2017 service totals were:

Cataract/Pterygium surgeries: 63

Eyeglasses distributed: 3,531

Prosthetic eyes made: 68

TOTAL PATIENTS SEEN: 4,443

While our total numbers are impressive, the quality of care is even **MORE** impressive!!
